Non-Whites Flooding America

MEXICANS VOTE WHITES OUT IN TEXAS CITY.

**TEXAS TO BE FLOODED WITH
MEXICANS**

MEXICAN VOTE ALREADY
TAKING OVER SOME TEXAS
CITIES.

The State of Texas is experiencing a deadly invasion which will soon menace white voting majorities all over America. Texas has a very heavy Mexican minority population. There are some 2,000,000 Mexicans living in Texas. (This does not count the large Negro population which vote 8 with the Mexicans.) 800,000 of them live in the San Antonio to the Rio Grande area. These people are now the subject of vast voter registration drives. They are being driven to registration places in trucks, buses and many have their poll taxes paid for them. Astounding callbation of what can and will happen is in Crystal City, Texas. There Mexicans who form a majority of the local population registered more of their people than the Whites had registered. On election day the White populace which had founded the city and had always governed it discovered they had been voted out of office. The Mexicans made a clean sweep of the entire city council and mayors office. (Let us keep in mind that Mexicans are NOT white people, but are a mixed Negro and race, but most of them have Whites, who they refer to as the "Anglo-saxons.")

GRELIZED MEXICANS INTO

Quora country, which means the government can allow any number to come into America and become citizens. Some 200,000 Mexicans have applied at our Embassy in Mexico to move to America. KENNEDY HAS ORDERED THAT AT LEAST 5,000 VISAS BE ISSUED EACH MONTH TO THESE MEXICANS AND THAT THEY BE PROCESSED AS QUICKLY AS POSSIBLE. These hundreds of thousands of Mexicans, non-white aliens will quickly be granted citizenship and herded to the polls to vote to keep the Kennedys and their henchmen in office. The states which are feeling the brunt of this invasion by immigrants are those which border with Mexico. Texas and Southern California, being the hardest hit. Since most of the Mexicans have little money, they move just across the border and settle in these areas, also they like the warmer climate.

Kennedy Wants Immigration Changes

PERMITTED TO ALLOW UN-
LIMITED NON-WHITE IM-
MIGRATION

Last year the National States Rights Party exposed the Bill introduced by Sen. Philip A. Hart of Mich., to allow hundreds of thousands of Chinese to pour into the USA. Under the new bill as proposed and backed by Kennedy, the quota would be raised to 250,000 persons a year (from the present 157,000 a year (from the present 157,000.) and America was founded and created by White Europeans. Europe receives the largest quotas. Asiatic and Negro nations are only allowed a token immigration each year of about 100 for each non-White country. NSRP believes that no non-White race should be allowed to enter this country. There are also ever-population problems in India, the Congo and other nations. Kennedy could quickly fill this land up with Negroes and Asiatics who all hate the White Race. These races rapidly overbred the White race. Today the average Whiteman has 3 1/2 children, the Negro has 12 children and the Chinese has about 14 children (the highest of any race in the world.) President Kennedy actually hates the White Race.

White people should be allowed to come to this land.) The nations of Europe do not use all their allowed quotas each year. Kennedy and Sen. Hart would do away with this quota system and give the Attorney General of the U S (which in this case just happens to be his brother,) and allow him to decide how many from any nation can come to this White vote.

GOD did not make a mistake when He made us White and when He made the Negro black. If GOD had only wanted one race, He would have only created one race. GOD created a variety of races and gave them different mental and physical characteristics which cannot be safely ignored.

The Jews and other mongrelizers lie when they say that color is the only difference between Whites and Negroes.

There are many other references more important than those given above.

Even the *Encyclopaedia Britannica* admits many differences between Whites and Negroes and says that the Negroes are more closely related to the anthropoid apes than White people are. It (*Encyclopaedia Britannica*) is now controlled by the mongrelizers so it no longer contains as much information about Race as it once did. All of the facts about Race in it will eventually be purged and suppressed. However, the latest edition of 1956, **Volumes 16, page 183** under the heading of "Negro" admits great differences between the two races. Every time a school teacher dares to parrot the false Jew doctrine of racial equality, the students should confront him with what the *Encyclopaedia Britannica* says about the "Negro" and do it in the presence of the full class. Any time a **Jeweled preacher** contradicts the laws of GOD and nature by repeating the old Jew lie that all men are equal and that skin color is the only difference between the two races, an honest Christian should show him and the congregation what the **Encyclopaedia** says under the heading of "Negro".

The Jews, such as the A.D.L. of B'nai B'rith, put pressure on all publishers to suppress the facts of Race. Therefore, if you intend to use the Encyclopedia to persuade others that it is necessary to separate the races and preserve the White Race, act quickly. It can be found in any library.

Belantsea and other scientific sources tell about these differences. From various expert authorities that are in general agreement, such as Grant, Stoddard, Cox, Schultz, Pickett, Shufeldt, and Gobineau, I will cite some facts of Race. Lack of space prevents a full discussion.

The Negro has short black "hair" that is frizzy and will felt like wool. It is not true hair because true hair cannot be felted. The Negro has black eyes with a yellowish cornea. His nose is flat with apparently no bone in it. His lips protrude so much that the inner red surface can be seen.

The average Negro skull is different from that of the average white skull. It is so different from that of the white skull that a craniologist can easily identify it as belonging to a Negro. The Negro has a low receding forehead and a protruding jaw. A white man has a high forehead and usually a receding jaw. A Negro skull can resist a blow that would break a white skull. The sutures in a Negro skull close early in life, whereas the sutures in a white skull close late in life. When the brain is growing, the skull sutures remain open. The early closing of the sutures prevents the further growth of the brain. In this respect the Negro is nearer the anthropoid ape than is the white man.

The Negro brain averages ten ounces less than the white brain. The average white brain weighs 45 ounces as compared with 35 ounces for the Negro and 26 ounces for the highest gorilla. If mongrelization takes place in America for a hundred years, where Negroes form 10% of the population, we Whites would lose from 2% to 5% of our brains. That loss, slight as it seems, would be enough to take genius from the Whites. Race and end the progress of civilization. We Whites would lose the *Vigor* of thought, initiative, *Phylis* and that restlessness, energy and curiosity that make for inventiveness. The Negro blood can give us nothing in return.

The frontal lobes in the brain of the high-provered white Race are developed to a greater extent than in the Negro Race. Mix-breeds are in between. As the front part of the brain is the seat of consciousness where intellect, memory, judgment and conscience are located and as the fore part of a Negro skull is round, low and receding, the size and shape of his brain affect his mentality and make it inferior to the brain of a white person.

The Negro ear is smaller in proportion than the White ear. The tips of the Negro ear turn in like those of rabbits and horses. The auditory canal is straighter in a Negro's ear, which probably accounts, in some degree for the Negro being unable to understand or appreciate the melody of White music. Negro music is monotonous when pure and without White influence. The Negro's arm is long compared to his leg. His forearm is longer in comparison with that of the White forearm. The thigh of a Negro is shorter in proportion to his lower leg. The Negro's hands and feet are longer and narrower in proportion to White hands and feet. The great bone of the Negro heel is longer and projects backwards. Among apes and monkeys the heel bones projects in the same manner. The calves of a Negro's legs are slimmer and his finger-nails are shorter.

It must be remembered that some Negroes are not of pure blood. Therefore their racial characteristics are not as obvious or as sharp.

It is a shame that the Jews have suppressed the facts of the Race so that most Whites and most Negroes do not have access to the truth. If both races knew the great truths of the Race that have been concealed from them, there could therefore be true friendship between the White and African races and each could develop separately. Millions of intelligent Negroes have petitioned Congress to pass the Langer Bill and give them a rich Country of their own in Africa. Senator Russell Long, Chairman of a Sub-committee of the Foreign Affairs Committee, has held hearings on the Langer Bill. Please write to Sen. Long, Sen. William Langer, the two Senators from your own State and your Congressmen, urging them to pass the Langer Bill so we can have a just and permanent solution of the Negro problem. Only truth can solve the Race problem, not Jew propaganda that would destroy both races in the mongrel pot. The Jews are trying to destroy both races by race mixing. It would be much easier for the Jew-Communists to rule a mongrel America than for we Christians will defeat them.

The white race is responsible for the civilization we have today, under the blessings of Jesus Christ. It has produced all civilizations that have reached a high level of civilization. The history of civilization is the history of the White Races. Where Whites have mixed with non-Whites, civilization has declined, such as in India, Portugal and Brazil. At the present time, those countries only have a little imported civilization. The whole world and all races would suffer if the White Race were destroyed thru race mixing. After all, what great crime has the White Race committed that it should deserve the unjust penalty of death? Maintain the purity of the White Race and the whole world will benefit.

The White Race is the white goose the lays the golden eggs of civilization, culture and progress. If it were killed with race mixing, the Negroes and other non-Whites would no longer be able to eat out of the silver platter of civilization. There would be no more golden eggs.

Even though much racial truth has been purged from the enemies of the White Race, I urge every White Christian to show his friends, neighbors, students, preachers, and leaders what the *Encyclopaedia Britannica* says under the heading of "Negro" because it is a recognized authority. We must save the Great White Race. Long live the White Race! Long live the African Race. Flush the race-mixers!

The Truth About Those Negro Heroes

Negro Cowardice In Combat Revealed

Zealots of "racial equality" have long carried on a propaganda campaign in an effort to glorify the Negro soldier's valor as a fighting man. The claim often being made that the Armed Forces are discriminating against some of their best soldiers. An outstanding example of this propaganda in action was the making of the motion picture, "Home of the Brave," which stressed the imaginary accomplishments of the Negro soldier, and gave special emphasis to the alleged discrimination which he suffers from bigoted whites.

This type of propaganda has been disseminated on such a wide scale that many people have actually been led to believe that Negro soldiers are magnificent fighters who have contributed courageously and selflessly to the defense of America. They have been led to believe that Negroes have died in great numbers in defense of freedom. These arguments are used to justify the integration of Negroes into white units.

THE RECORD

As a point of fact the role of Negro soldiers in combat has been, in general, unimpressive. They have neither distinguished themselves for bravery nor devotion to duty. On the contrary, they have proved unreliable in danger and fearful in combat. A few statistics taken from the official records of World War I and World War II will disprove without question the fallacious argument that Negroes are courageous fighters or that they have died in great numbers in defense of "democracy." The record of both wars indicates very strongly that Negro troops, if used at all, should be utilized in non-combat duties, and that in no case should they be integrated with white troops.

'Integration' Is Destroying U.S. Army

SPECIAL—Congress should, and must, act at once to end the shameful "integration" program which even now threatens to destroy the morale and effectiveness of our entire military establishment.

The "integration" program, by way of review, was surreptitiously initiated by Harry Truman in 1946 at the behest of the trouble-making National Association for the Advancement of Colored People (NAACP), the Anti-Defamation League of B'nai B'rith, and other racist pressure groups.

The plan to place Negroes into white military units was undertaken without the consent of Congress (which would never have approved it) and it was put into operation without the knowledge of the American people—the latter accomplishment being possible through a tact censorship arrangement with our venal press and Jewish owned radio-TV industry.

To implement his race-mixing "integration" plan, Truman appointed the alien Jew, Anna Rosenberg, as assistant-secretary of defense in charge of manpower. From this vantage point Anna could, and did, "integrate" Negroes into all branches of the U.S. military establishment. Before her resignation in early 1953, she had managed to place Negroes into all units of the Navy, Air Force and Marine Corps, and the process was extended to include much—though not all—of the U.S. Army.

Apologists for the Truman-Elzenhower race-mixing program argue that "integration" is the only "democratic" solution to the Armed Forces' Negro problem, and that to segregate Negroes is "un-American." This unique interpretation of "democracy" is, of course, largely of Jewish origin, and its absurdity is so self-evident as to hardly warrant refutation. Only a propagandist—or a dunderhead—would argue that the customs and traditions which our forefathers have followed since the establishment of Jamestown have all of a sudden become "un-American." . . . Nevertheless, that is one of the chief arguments now being used to justify the "integration" of Negroes into our military forces.

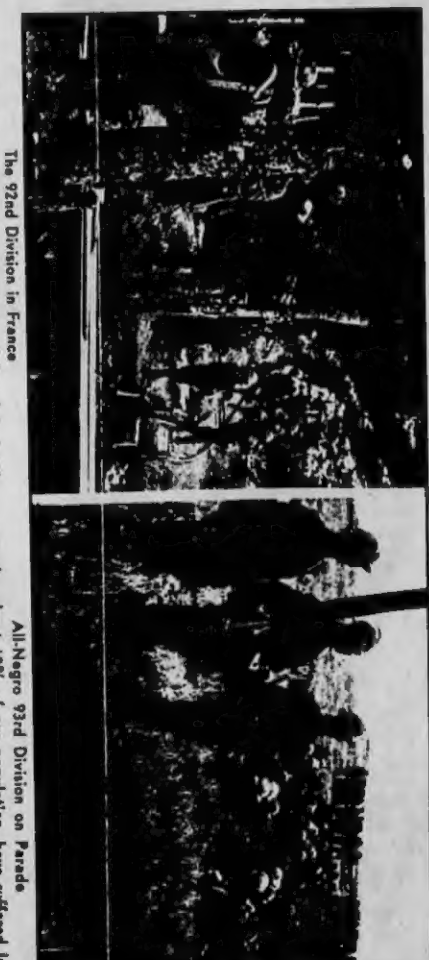

Another argument used by the proponents of compulsory non-segregation is that Negroes make fine and heroic soldiers (some fine and some heroic). They "magnificently fighting men". They contend that Negroes differ in no basic respect from whites, and that by "integrating" them into white units the Armed Forces would be availing of Negroes' own vast reservoir of hidden untapped fighting strength. None of these arguments will stand up under scrutiny, as the following will show.

To begin with, the Negro population does not represent a worthwhile source of military manpower. The record of Negro troops in both World Wars indicates conclusively that they are worse than useless under combat conditions.

WORLD WAR I

Here are the facts: The records of World War I reveal that approximately 1350,000 Negroes served in the armed forces, about half of whom served overseas. From these, two Negro Infantry combat divisions—the 92nd and 368th divisions—were formed. Both divisions were under German fire in 1918, and altogether about 40,000 Negro troops were exposed to combat conditions. Did they distinguish themselves? Let us take the words of a high-ranking white officer of the 92nd division, Colonel Allen J. Greer, who had described the combat record of the division as follows: "The record of the division is one which will probably never be given full publicity, but the bare facts are about as follows: We came to France in June, we were given seven weeks in the training area limited of the four weeks in training areas as usually allotted. Then went to a quiet sector of the front. From there we went to Arromanches, and in the offensive starting there on Sept. 26, had one regiment in the line, attached to the 89th French Corps. They failed there in all their missions, laid down and snatched to the rear, until they were withdrawn. Thirty of the Negro officers of this regiment were reported either for cowardice or failure to prevent their men from retreating and this against very little opposition. The French and our white field officers did all that could possibly have been done; but the troops were impossible."

That was the combat record of the 92nd Negro division in World War I. Altogether the 92nd lost 182 men killed, including 62 who died of wounds. The 368th division lost 591 listed as killed in action, of whom 124 died from both divisions. It was 770, and a number of these were killed in an explosion behind the lines, and although there may have been a few isolated Negro casualties other than

The 92nd Division in France

In 1918 the all-Negro 92nd Division (above) had 182 men killed in action. In World War II the 92nd lost 182 men killed in action was under 900 in World War II less than 500 died in action. In other words, Negroes, who

these, the total number of Negroes who died in action in World War I was certainly less than 900. By way of comparison, 50,510 white American troops died in battle, or from battle wounds, in other words, Negro troops who constituted about 6% of our armed forces in World War I, suffered less than 1/50th of the combat death.

WORLD WAR II

In World War II the 92nd division was exposed to German fire in Italy, with about the same result as before. Altogether the 92nd division had 338 men killed in action and the 88th division suffered 43 casualties. These were the only Negro combat divisions which saw action, and although there were undoubtedly other Negro casualties unaccounted for here, the total number of Negroes killed in action in World War II probably did not exceed 500.

(There was a 99th Negro Fighter Squadron and the 332nd Negro Fighter Group in the Air Force. Neither seems to have suffered any casualties.) When we consider that 701,178 Negroes served in the Armed Forces during the recent war, the 500 Negroes killed in action is decidedly unimpressive, and especially in view of the more than 200,000 white troops who died in battle. Certainly these statistics—if even approximately correct—would not justify the exorbitant claims made by propagandists who seek to lionize the Negro soldier and make him appear to be a heroic, though abused, part of America's armed forces.

BAD FOR MORALE

The morale and effectiveness of America's armed forces can in no imaginable way be improved by the forced introduction of black troops into all-white military units. In fact, the enemies of

Above left: A Negro sergeant "on duty" with the U.S. Army in Europe. Above right: A Negro NCO enjoying his vacation in a "recreation" center. Below right: A Negro NCO enjoying his vacation in a "recreation" center.

The photograph above bears witness to what is happening to our Armed Forces under the infamous "integration" program. The entire program is designed to place the Negro into all branches of the military service. In all branches of the military service, this means, among other things, that Negroes are being placed into units where they will be exposed to the same conditions as the white troops. This is a deliberate attempt to destroy the morale and effectiveness of our entire military establishment.

(see American Nationalist, Dec. 10, 1952). The record shows that the COMBINED Negro combat deaths in BOTH World Wars were less than 1500, including a number who died in a behind-the-lines explosion. Furthermore, the Negro record of desertion and cowardice under fire is so shameful that no newspaper publisher dares to print it. To argue that the Negro population constitutes an untapped source of military manpower is therefore unimpressive. Certainly the "integration" of hundreds of thousands of these fearful, excitable and unstable Negrooid troops into the ranks of our Armed Forces is not conducive to higher military efficiency.

As to the mental capacity of Negro troops, the records of the Army are replete with evidence which shows them to be hopelessly inadequate to meet the technological demands of atomic age warfare. While it is true that

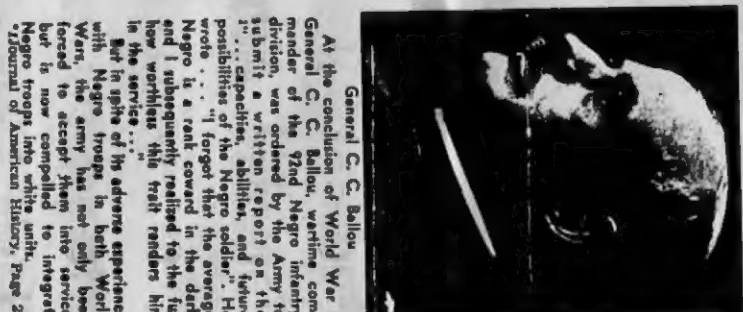

ANNA ROSENBERG'S PENTAGON ASSIGNMENT

Although her appointment was the subject of heated controversy, the real purpose behind Anna Rosenberg's choice as head of the Defense Department's manpower section several years ago was never clearly understood, even by her opponents. Anna's real mission was to "integrate" the Armed Forces; a program first begun by Harry Truman in 1948, incredible as it sounds, she was able to carry this highly explosive project to completion without a word of public controversy being heard. She accomplished this with the connivance of the major wire services. Her mission was to "integrate" the Armed Forces were completely "integrated" was the public let in on the secret.

Less than 1% of the Negroes fall into this category. On the other hand, 99% of the Negroes fall into the dull or feeble minded classification, as opposed to only 11% of the whites in that bracket. These results, which have been substantiated by innumerable other tests both in and out of the Army, hardly bear out the propaganda claims of those who insist that Negroes possess the same intellectual capacity as whites.

CONCLUSION: While the integration of vast numbers of Negrooid troops into the Armed Forces cannot fail to reduce the moral tone and fighting efficiency of our military establishment, that is not the only consideration involved. It should also be remembered that our military majority is also entitled to certain rights. And while we can justify the drafting of our youth into military service as a necessary defense measure, there can be no justification whatsoever for compelling them to serve under Negro sergeants. Neither is there justification for forcing the families of married servicemen to share recreational, housing and educational facilities with Negroes. Congress must decide, and soon, as to whether we should keep the draft—or the integration program. To keep them both—to force white draftees to serve under Negro sergeants—is tyranny! Congress should outlaw the integration program now!

Army Encourages Inter-Racial Marriages

General C. C. Ballou

At the conclusion of World War I General C. C. Ballou, wartime commander of the 72nd Negro Infantry division, was ordered by the Army to submit a written report on the "capabilities, abilities, and future possibilities of the Negro soldier." He wrote: "...I forgot that the average Negro is a rank coward in the dark, and I subsequently realized to the full how worthless this trait renders him in the service..."

But in spite of his adverse experience with Negro troops in both World Wars, the army has not only been forced to accept them into service, but is now compelled to integrate Negro troops into white units. (Journal of American History, Page 23.)

The Negro and Ape have all the above features in common. The white man has none of these Ape-like characteristics. The White Man with his 45 ounce brain and thin skull (which closes late, allowing brain to develop) IS THE SUPERIOR RACE. THE NEGRO IS STILL IN THE APE STAGE. Scientist denies Negroes are equal

CHICAGO, July 28.—A Social Science Research Council scientist is deluging the nation by insisting on their "equalitarian dogma" that holds Negroes are mental equals of white persons, a leading educator has charged.

Prof. Henry E. Garrett, past president of the American Psychological Assn., charged the dogma "is the scientific hoax of the century."

He said the dogma "at best represents a sincere if misguided effort to help the Negro by ignoring or even suppressing evidence of his mental and social immaturity."

Garrett's indictment appears in the current issue of *Perspectives in Biology and Medicine*, a publication of the University of Chicago Press.

It was written on invitation of Dr. Dwight Ingle, professor and head of the physiology department at the university and editor of the magazine. Ingle said he does not endorse Garrett's views.

GARRETT SAID social scientists are quick to silence efforts by sociological problems could be hastened by fuller information, and young scientists are about genetic differences among branded "racists" and their colleagues, he said.

Is Race Problem 'Biological'? Negro Unequal to Whites, Study Says

MONTGOMERY, Ala., Oct. 4.—A state-authored racial study released yesterday said the Negro race is 200,000 years behind the white race in the evolution process and intermarriage would deteriorate the white race.

"There is universal and inviolable deterioration in those races which intermarry with Negroes," said the report, prepared by a University of North Carolina professor emeritus.

"Interbreeding is the inevitable and perhaps the inevitable end-product of large scale social integration," the report added.

Worked on Report 2 Years

The report said a high percentage of Negroes have less intelligence and brain power than white persons and that the race problem is a "biological problem."

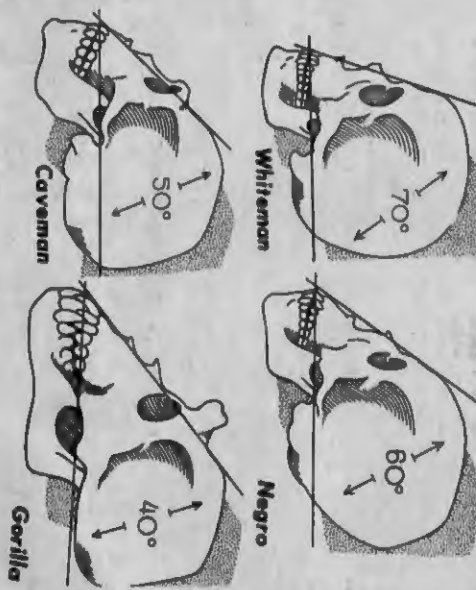

The report was made public today by Dr. W. C. George, former head of the Anatomy Department at North Carolina.

George said he worked on the report nearly two years and it was released now "for whatever help it might be in the present crisis." He apparently referred to riots and use of Federal troops in Mississippi over integration.

Released at News Conference

The report made headlines about a year ago when news leaked out the professor was making his study under authorization of

NEGROES HAVE DISEASED BLOOD

NEGRO BLOOD IS DIFFERENT

Next time you go to the hospital (or for the first time) and receive a blood transfusion you may be contracting a disease given off in Negro blood.

We quote the following:

"A medical research scientist conducting a two-year investigation for the U. S. Air Force School of Aviation Medicine has recommended that Negro personnel be given special blood tests before being allowed to fly at high altitudes. The scientist, Dr. Wm. Levin of the University of Texas, pointed out that 1,520,000 negroes (8% of U. S. Negro population) suffer from an inherited disease or defect of the blood known as 'sickle cell trait.' At high altitudes, the doctor disclosed, Negroes with 'sickle cell trait' suffered damage to the spleen, showed blood

in the urine and other reactions."

"The sickle cell trait, so called because of the sickle shaped configuration of the carrier's red corpuscles, is an hereditary racial characteristic of Negroes, and is found in no other race. It can, however, induce blood disorders in members of the white race via blood transfusions, sometimes with fatal results."

In another report from the Houston Chronicle, May 5, 1961, under the heading "Cheap, Simple Test Is Developed Here to Detect Sickle Cell Trait" we find the following:

"A cheap, simple test to detect a red blood cell abnormality called 'sickle cell trait' has been developed by a St. Elizabeth's Hospital medical technologist."

"She is Sister Raphael, recently named 'medical technologist of the year' by the Texas Society of Medical Technologists."

"The 'sickle cell trait' is an

inherited abnormality found chiefly in Negroes. Most of St. Elizabeth's patients are Negroes."

"The tests for this trait formerly were long and complicated," Sister Raphael said.

She found that a commercially prepared chemical fluid had the ability to show within a half hour whether this trait was present."

Before the test was developed, about 10 per cent of the patients at the hospital were believed to have the sickle cell trait.

"Now we're finding it in about 30 per cent of them," she said.

Other hospitals over the country have become interested in the test.

"They're finding the trait to be more widespread than they formerly thought," Sister Raphael said. (end of Quote)

Why are these facts kept from you? White people should demand that ALL blood be labeled by the donors race.

HERE'S WHAT TO TELL GOLDWATER SUPPORTERS

WHAT TO TELL GOLDWATER SUPPORTERS

No loyal supporter of the third party movement and NSRP can back Goldwater for the many reasons we published in the special Goldwater issue (#52.) But all of us know good patriots who have been swept up by the Goldwater for President million dollar publicity campaign.

The main thing to point out to these people is that current thinking among political experts, including Goldwaters main backer, David Lawrence, Jewish editor of "U.S. NEWS & WORLD REPORT" is that neither Goldwater nor Rockefeller will receive the nomination. Lawrence states that either one might cause one wing or the other to leave the Republican party. He further states that GOP bosses and professionals will pick a non-controversial moderate, such as Scranton, Morton or Romney. This may easily happen and should be realistically pointed out to your Goldwater friends.

It will take almost super-human efforts in some states to get the National States Rights Party on the ballots due to harsh laws requiring many thousands of names on petitions. We will need the help of every single right wing conservative in America-including patriots who are at this moment being misled by the Goldwater boom. The Republican convention will come late next summer. WHEN IT IS OVER, AND GOLDWATER FAILS TO GET THE NOMINATION, IT WILL THEN BE TO LATE FOR THEM TO HELP US GET THE THIRD PARTY ON THE BALLOT IN THEIR STATE! We will already either be on the ballot in most states, or it will be almost too late for Goldwater supporters to rush into our camp and help place us on the ballot. Our Party will be the first political party in America to nominate candidates for president and vice-president next year. We will most likely hold our National Nominating Convention in February, so that our members can then fan out and go to work in their respective states with plenty of time to get the job accomplished.

"Lesser of two evils." We have had enough of that policy. So, no matter how your friends stand, if they are right wing conservatives, they have a stake in our fight to place the NSRP on the ballot in your state. Do all that you can to reason with Goldwater friends, so that they will get out and work to place this Party on the ballot. States Rights pledged and unpledged electors can hold the balance of power in 1964. This is the only way we have of being heard and forcing concessions from major parties. The third Party is the only answer and our only chance to eventually take back our country.

GOLDWATER BACKS NEGRO MARCH ON WASHINGTON

One shock after another brings to light the startling fact that Goldwater has written off right wing support just as Kennedy has. A U. P. I. dispatch of Aug. 19 reports Goldwater as stating he feels the Negro march on Washington is "wise." HE ALSO STATED THAT HE HAD NO OBJECTIONS TO THE USE OF FACILITIES IN GOVERNMENT BUILDINGS TO BED DOWN MARCHERS (at the taxpayers expense). Goldwater stated that he did not think the Republicans should appeal to the segregation vote in the South. (So why should we bother to vote for this Party which has no interest in our problems?) Last but not least Goldwater stated that he would back Gov. Nelson Rockefeller of N. Y. if he should win the nomination for President.

Hundreds Of Thousands Of People All Over Alabama.

The first of these, "Crises or Transition," will be broadcast Tuesday at 8:30 p.m. and will deal with the possibility of desegregation of Birmingham schools.

The half-hour program will feature a review of the legal actions which have taken place leading to the present requirement of the Birmingham school board to submit a plan for desegregation by Aug. 19. Those appearing on the program include Gov. George C. Wallace, Dr. Edward R. Fields, National States Rights Party Dr. Lucius Pitts, president of Miles College, R. E. Farr, of the Birmingham Labor Council, Chief Jamie Moore of the Birmingham Police Department, Reid Barnes, attorney for the Birmingham school board and interviews with average citizens of Birmingham on their views of what may happen if the schools are desegregated.

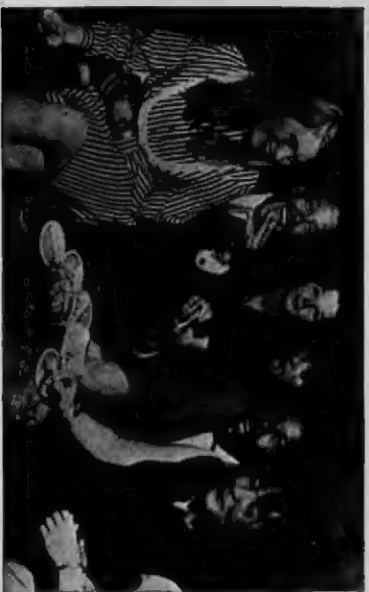

The Real Heads Of The NAACP Are The Below Two Millionaire Jews—Spingarn & Kaplan—

The Face of the NAACP

Sometimes a picture can speak louder than a thousand words. We believe that the one above can. We call it the "Face of the NAACP." This picture shows Thurgood Marshall, mulatto special counsel for the NAACP, receiving a special NAACP Life Membership plaque from Kivie Kaplan, co-chairman of the NAACP Life Membership Committee, while Arthur B. Spingarn, NAACP president looks on with approval. Take a good look at this picture. Thurgood Marshall is no Negro—he is a mulatto! Spingarn and Kaplan are not Negroes, either.

Heiress Leaves \$45,000 To Ex-Houseboy Husband
Mrs. Eleanor Stahl Tibbs, the late Detroit socialite who shocked elite society by marrying her house-boy-chauffeur, left nearly half of her \$50,000 estate to her husband, William. She left \$5,000 to her son, Harry. The rest was split between Tibbs and Mrs. Tibbs' daughter, Elizabeth Stahl.

In 1950 she shocked her Grosse Pointe country club set when she married youthful William Tibbs, once her houseboy-chauffeur and the son of the family cook, after divorcing affluent industrialist Harlow C. Stahl. Reportedly receiving a \$1 million settlement and their \$75,000 mansion, the divorcee vowed to spend her life and her fortune fighting racial prejudice. Selling the house, the then 48-year-old bride moved into an \$18,000 bungalow with her 26-year-old husband, a steel company worker. Charging cruelty in her successful bid for divorce from her first husband, Mrs. Tibbs once said she tried to keep from falling in love with Tibbs, "but I just couldn't fight it any longer." She described his engagement ring—a black pearl along side a white pearl and surrounded by diamonds—as "symbolic of our union."

Kennedy Kin OKs Mixed Marriage In Peace Corps

"We in the Peace Corps consider marriage a private affair . . . we have no rules against such marriages," stated Peace Corps Director R. Sargent Shriver when asked on a recent New York TV program what he thought about Corps members marrying interracially in countries where they were assigned. Shriver, President Kennedy's brother-in-law, stated further, to queries from panelist Dr. Margarette Cartwright: "We try to advise all our people of the possible difficulties where there are children, etc., but we certainly place no barriers in the way. Many members of the Peace Corps have married citizens of the countries where they were stationed—the Philippines, in Colombia, and elsewhere . . ."

Interracial Group Arrested In Mo. Bank Holding

Two Negro men and two white women were arrested in connection with the \$2,514 robbery of a bank in Ottaville, Mo. Identified as Wilbur Williams Kennedy, 40; Clarence Anthony Bayles, 24; Carolyn Mae Williams, 18, and Barbara Sue Hamilton, 22, all of Kansas City, the group was arrested a few miles from the robbery scene shortly after two men and a woman forced employees into the bank vault at gun point and escaped with the loot. The money was not recovered.

A 22-year-old mother of five children, Dorothy Garnett, was held without bail on a charge of murder in the fatal butcher knife stabbing of her husband, Earl, 44, resulting from an argument over his disciplining her two children by a previous marriage, according to Philadelphia police. Garnett's father, William Garnett, 77, visiting the couple, attempted to halt the fight. Garnett lived for four-and-a-half hours after doctors at Graduate Hospital massaged his heart. The couple's children range in age from one to five years.

MIXED MARRIAGE FAILS

Negro Visits Chinese-White Couple, Mob Forms While White.

Mrs. Mary Lou Eng, 39, wife of a Chinese cook, Ching, was having her hair bleached by a long-time Negro friend, Mrs. Alice Powell, 46, last week, a mob of jeering whites and Chinese formed outside their Chicago home and threatened to burn it down. Mrs. Eng said pop bottles were hurled through her windows and some of the mobsters yelled "nigger lover." Police later dispersed the crowd but made no arrests.

The uproar came after Mrs. Powell's daughter, Roslyn, 8, was bitten by a dog as she played in the back yard with Mrs. Eng's seven-year-old son, Thomas. Mrs. Eng, who went out on the street to reason with the angry mob, said she was told by some of the men: "We gave you a chance to move in here because you're married to a Chinaman, but we aren't going to tolerate having Negroes here." She revealed her husband, who has only been in this country 15 years and became a naturalized citizen last January, sided with the mob's demand that they move and has secured a room for himself. Said she: "If I have to choose between my husband and Mrs. Powell's friendship, I'll choose her."

Fearing violence, Mrs. Eng (r.) left her two children with Mrs. Powell and her daughter, pushed her belongings to move.

Dr. Fields Appeals

6 Month Jail

Senetence

On August 2, Dr. Edward R. Fields was sentenced to six months in prison and fined \$100 for "parading without a license." Others given the same sentence and also members of the National States Rights Party were James K. Warner, Jerry Dutton and Albert Deshazo. Dr. Fields was arrested while carrying a large sign in front of Britt's Department Store, which read, "This store serves Negroes." Mr. Deshazo carried a like sign across the street and Jerry Dutton carried a large Confederate flag in front of Woolworth's. James K. Warner was arrested for protesting to the police that they could not legally arrest the three. Mr. Warner was leading another group of NSRP members who came down earlier to distribute literature denouncing the mixed stores.

Six downtown stores integrated their lunch counters on Tuesday, July 30. Friends working for local TV stations and newspapers had informed Dr. Fields that they had been instructed not to print or to broadcast the fact that the stores had mixed lunch counters or name any of the stores. While newspapers in every major city in America carried the news that Birmingham's downtown stores had mixed "quietly and peacefully," THE PEOPLE OF BIRMINGHAM WERE IN A NEWS BLACKOUT AND DIDN'T EVEN KNOW THE MIXING WAS TAKING PLACE. Dr. Fields then decided that a dramatic demonstration was needed to force the news out. Large crowds gathered when the men were arrested and 10,000 handbills were distributed. The press and TV then carried the story about both the arrests and lunch counter mixing.

Dr. Fields had two complaints in the handling of the case. One was the unnecessary handcuffing of Jerry Dutton, (a Negro was ever handcuffed during Martin Luther King's demonstrations). Also the appeal bonds for the four men were set at \$1,000 each. (Negroes' bonds were \$300 each). Dr. Fields feels that they will all be acquitted when their jury trial comes up.

4 Arrested in 'Parade'

Four men were arrested yesterday in downtown Birmingham in connection with sign-carrying demonstrations denouncing the desegregation of store lunch counters.

Jailed on charges of parading without permits were Dr. Edward R. Fields, 30, 1509 Mims St.; Jerry Dutton, 22, 1965 Bessemer Rd.; and Albert Deshazo, 22, 1222 18th St. n.

James Warner, 24, 1865 Bessemer Rd., was arrested on a charge of disorderly conduct after he shouted that the police could not arrest the others.

The men were arrested about noon near Second St. and 18th St. n. by Capt. G. V. Evans and Sgt. J. D. Guy.

Deshazo was carrying a large placard in front of Woolworth's and Dr. Fields was carrying a similar sign across the street at Britt's.

Jerry Dutton was carrying a Confederate flag alongside the sign carrier, the officers said. He set bond at \$1,000 each.

THE FOUR WERE ARRESTED Wednesday on 19th Street in front of Britt's and Woolworth stores.

Dr. Fields, editor of the Thunderbolt and Birmingham Daily Bulletin, as well as president of the States Rights Party, said the demonstrations were prompted to "bring desegregation of the lunch counters to attention of the public."

Four whites sentenced for parading

Four members of the National States Rights Party were sentenced to 180 days in jail and fined \$100 each in Recorder's Court this afternoon in connection with demonstrating against desegregation of downtown lunch counters.

They were Dr. Edward R. Fields, 1509 Mims St., S. W.; Jerry Dutton, 1865 Bessemer Rd.; Albert Deshazo, 1222 18th St. North; and James Warner, 1865 Bessemer Rd.

Dutton, Deshazo and Dr. Fields were charged with parading without a permit and Warner was charged with disorderly conduct.

In keeping with agreements made last June approximately 24 Negroes were served Tuesday in tearooms and at lunch counters operated by six downtown stores. The Negroes in two and four were served after the lunchtime rush hour and departed without incident. They appeared at Love's, Pritz's, Britt's and at Krass, Woolworth and Greens.

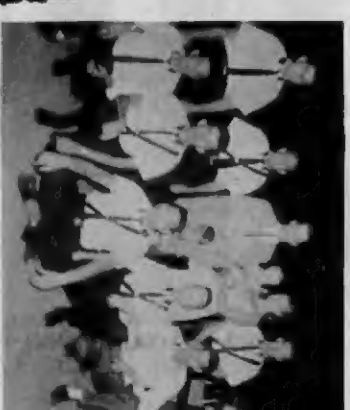

Witnesses said the Negroes did not mingle with white customers but that some white customers left when they appeared.

Jerry Dutton, (bareheaded), of Birmingham, a uniformed member of the National States Rights Party, a rightwing group, is arrested for parading without a permit. Officer holds placard when held by Dutton.

Mass NSRP Meetings

The National States Rights Party has held more outdoor mass rallies during the past three months than we have ever held before during our seven years of existence. We have tried to hold from three to four mass rallies each week. Rev. Conrad Lynch and Jerry Dutton have been in charge of setting up these rallies. The uniformed security guard has done a fine job in setting up torches, signs, speaking equipment and directing traffic at these meetings. At the present time he has mainly concentrated on holding meetings in Alabama. We are now ready to branch out into other states where local Units eagerly await the chance to bring our speakers into their community.

Following is a partial list of meetings:

Montgomery, 600 people
Gadsden, 2,000 people
Bessemer, 500 people
Fultondale, 700 people
Sylacauga, 1,000 people
Talladega, 400 people

Cahaba, 800 people
Gardendale, 500 people
These are just some of the communities which have turned out good crowds for these NSRP rallies. The publication of our newspaper, newsletters, books, holding of private membership meetings, etc., is a very important part of molding and strengthening of the Party. But, the time has come to break out of this tight circle of party faithful and reach the general public. During the next 18 months (encompassing the 1964 presidential election campaign) we will wage the greatest battle in our history to bring the beliefs of the NSRP to the attention of the average man in the street. We now have either a Unit, or active members in every state in the Union and every major city of any size in America. The ground work has been done. We must now break out of our shell and contact new Americans. Millions of Americans are ready to accept our message. The recent mass rallies held in Alabama prove that our time has arrived. Each member must be willing to make a super-human effort to bring the party to the attention of the public. It is true that your national leadership has recently been concentrating efforts on the local problems of mixing in the schools and lunch counters. We have learned much from these battles and are now ready to expand on a national scale. All local organizers will soon receive instructions and a complete program for our great new jump forward for the NSRP all over America. We have laid a solid base for our operations and we are now ready to expand this dynamic program all over America. Now is the time to get out and build the NSRP in every city and cross road community in the land.

"THE INTERNATIONAL JEW" By HENRY

CHAPTER 15

JEWISH 'KAHAL' & 'SOVIET'

IS THE JEWISH "KAHAL," THE MODERN "SOVIET"? The Soviet is not a Russian but a Jewish institution. Nor is it the invention of Russian Jews of the present time, a new political device which has been set up as a vehicle of the ideas of Lenin and Trotsky; it is of ancient Jewish origin, a device which the Jews themselves invented to maintain their distinctive racial and national life after the conquest of Palestine by the Romans.

Modern Bolshevism, which is now known to be merely the outer cloak of a long-planned COUP to establish the domination of a race, immediately set up the Soviet form of government because the Jews of all countries who contributed to Russian Bolshevism had long been schooled in the nature and structure of the Soviet.

The Soviet appears in the "Protocols of the Learned Elders of Zion" under the ancient name of KAHAL. In the Seventeenth Protocol this passage occurs:

"Even now our brothers are under obligation to denounce apostates of their own family or any person known to be opposed to the Kahal. When our kingdom comes, it will be necessary for all subjects to serve the state in the same manner."

Anyone who is acquainted with contemporary Jewish life knows what this denunciation of apostates means. The bitterness of the persecution, which falls upon a convert to Christianity, or upon the Jewish son or daughter of an orthodox family who chooses to marry a Gentile, is without parallel among men. Very recently in a western state a fine Jewish girl chose to marry a Gentile, who was a newspaperman. From the time of her announcement of intention, the girl was treated as an apostate. Had she died a most wretched death, had she descended to a status of most ignominious shame, the feelings which her fate would have aroused could not have been more terrible. A darkly solemn funeral service was held for her, and on her bridal day she was declared to be dead to her people.

The case is very far from being unusual. Perhaps one of the most moving descriptions of it is to be found in the life of Spinoza, the great philosopher whom modern Jews are fond of holding up for exhibition as a great ornament of their people. Spinoza's studies led him to question many of the dogmas the rabbis taught, those "commandments of men" of which the New Testament speaks, and as Spinoza was already a person of influence the very common Jewish tactic of bribery was tried upon him.

There would be some hesitation in using the words just set down—"the very common Jewish tactic of bribery"—if they were not known to be true. There is no desire to cast aspersions which grow out of malice. But Jewish history as written by Jews provides mountains of proof that bribery was, while present knowledge amply testifies that it still is, the favorite and most dependable weapon of the Jews. A Jewish writer, Jacob Israel De Haan, a Dutch lawyer resident of Jerusalem, has recently stated that one hope of a settlement of the Arab agitation in Palestine is the ease with which the Arab press can be bribed. His words are: "There is a strong agitation here among the Arabs against what they call the Zionist peril. But the Arabs, especially the Arabian papers, are open to bribe. This weakness will cause them, in the long run, to lose out against us."

So young Spinoza was offered an annual stipend of 1,000 florins if he would be silent upon his convictions and from time to time show himself at the synagogue. This he refused with high-minded scorn. He made ready to earn his bread by polishing lenses for optical instruments. Upon this, he was excommunicated, a proceeding which is thus described:

"The day of excommunication at length arrived and a vast concourse assembled to witness the awful ceremony. It began by the silent and solemn lighting of a quantity of black wax candles, and by opening the tabernacle wherein were deposited the books of the Law of Moses. Thus were the imaginations of the faithful prepared for all the horror of the scene. The chief rabbi, the ancient friend and master, now the fiercest enemy, of the condemned, was to order the execution. He stood there pained, but implacable; the people fixed their eager eyes upon him. High above, the chandelier rose and chanted forth in loud lugubrious tones the words of execration while from the opposite side another mingled with these curses the thrilling sounds of the trumpet. And now the black candles were reversed, and were made to melt drop by drop into a huge tub filled with blood." (Lewes: Biographical History of Philosophy.)

Then came the final anathema. "With the judgment of the angels and of the saints, we excommunicate, cut off, curse and anathematize Baruch de Espinoza, with the consent of the elders and all this holy congregation, in the presence of the holy books; by the 613 precepts which are written therein, with the anathema wherewith Joshua cursed Jericho, with the curse which Elijah laid upon the children, and with all the curses which are written in the law. Cursed be he by day, and cursed be he by night. Cursed be he in sleeping, and cursed be he in waking, cursed in going out, and cursed in coming in. The Lord shall not pardon him, the wrath and the fury of the Lord shall henceforth be kindled against this man, and shall lay upon him all the curses written in the Book of Law. The Lord shall destroy his name under the sun, and cut him off for his iniquity from all the tribes of Israel, with all the curses of the firmament which are written in the Law." * * * And we warn you that none may speak with him by word of mouth nor by writing, nor show any favor unto him, nor be under one roof with him, nor come within four cubits of him, nor read any paper composed by him." * (Pollock: Life of Spinoza.)

"As the blasting words were uttered, the lights were suddenly immersed in the blood, a cry of religious horror and execration burst from all, and in that solemn darkness, and to those golden curses, they shouted Amen, Amen." (Professor J. K. Hosmer: The Jews.)

That is a commentary on the decree of denunciation. It also throws a very strong light on the pressure which is brought against many Jews who would cry out against the anti-social ideas of their people, but who dare not because of the penalties it would bring.

This denunciation, as Protocol Seventeen orders, is to be made against anyone who is "known to be opposed to the Kahal" or ancient Soviet system of the Jews.

After the destruction of the Jewish state by the Romans, the Jews maintained a center in the Patriarch; and after the dispersion of the Jews out of Palestine this center or nationality was preserved in the Prince of the Exile, or Exilarch, an office which is believed to persist to the present time, and which some believe to be held now by an American Jew. In spite of all the assertions to the contrary, the Jews have never ceased to be "a people"; that is, a consciously united racial group, different from all others, and with purposes and ideals which are strictly of the Jews, by the Jews and for the Jews in distinction from the rest of the world. That they constitute a nation within the nations, the most responsible Jewish thinkers not only declare but insist upon. And this is wholly in accord with the facts as observed. The Jew not only desires to live apart from other people, but he works with his own people as against others, and he desires as much as possible to live under his own laws. In the city of New York today, the Jews have succeeded in establishing their own court for the settlement of their own questions according to their own laws. And that is precisely the principle of the Soviet-Kahal.

From the first century forward, as any reader can see by consulting the Jewish Encyclopedia, the "community," "assembly" or "Kahal" has been the center of Jewish life. It was so earlier, in the time of the Babylonian captivity, and the last official appearance of it was at the Peace Conference, where the Jews, in accordance with their World Program, the only program that passed successfully and unchanged through the Peace Conference, secured for themselves the "RIGHT" to the Kahal for administrative and cultural purposes in addition to many other privileges in countries where their activities had been a matter of protest. The Polish question is purely a Jewish question, and Paderewski's failure as a statesman was entirely due to his domination by Jewish influences. The Russian question is likewise a Jewish question, and all Rumanian speak of the United States as "The Jews' Country" because they know through their statesmen the terrific pressure which was exerted by American Jews against their country, a pressure extending to the very necessities of life, and which compelled Rumania to sign agreements which are as humiliating as those that Austria asked of Serbia, out of which the World War grew. The Jewish Question is written all over the forces that provoked the war, and over all the hindrances to peace which the world has since seen.

UNDER THE Kahal or ancient Soviet, the Jews lived by themselves and governed themselves, doing business with the government solely through their representatives. It was communism in a more drastic form than has been seen anywhere else in the world outside Russia. Education, health, taxes, domestic affairs, all were under the absolute control of a few men who constituted the ruling board. This board, as the present-day Jewish hierarchy is supposed to be, was self-perpetuating, the office often passing in an unbroken line of hereditary succession through many

generations. All property was in common, which however did not prevent the leaders becoming rich. These Kahals or Soviets existed in Rome, France, Holland, Germany, Austria, Russia, Denmark, Italy, Rumania, Turkey and England. In the United States the idea has developed around the synagogue and around national and international secret societies of Jews, of which more will be said in succeeding articles.

The Kahal is the traditional Jewish political institution during the dispersal of the race among the nations. Its international aspect is to be seen in the higher councils. These councils enlarged as the Jews spread over the world. The Jewish Encyclopedia cites the Council of Three Lands, the Council of Four Lands, and the Council of Five Lands, showing an international relationship in earlier years. But like all such records, public view of them is not easily accessible so far as they relate to modern times. The recent Zionist Congress in London, where doubtless much business was done that pertained to the Jewish people throughout the world, though not in public halls by any means, may be called the Council of Thirty-Seven Lands, for the delegates to that congress came from all parts of the world, from points remote as Lapland and South Africa, Persia and New Zealand. The purpose of these World Councils was the unification of the Jews, and the records of their assemblies run back through the centuries.

It is therefore no new thing that has arisen in Russia. It is the imposition by the Jewish revolutionists upon Gentile Russia of a form of control in which Judaism has been schooled from the earliest times of its contact with the world. Soviet Russia could not have been possible had not 90 per cent or the commissars been Jewish. Soviet Hungary could not have been possible had not Bela Kun, the chief Red, been a Jew, and had not 18 or his 24 commissars been Jews. The Jews are the only group schooled in the erection and administration of the Kahal.

An Associated Press dispatch under date of August 12 throws a light on the congeniality of the Soviet system and the Jewish mind. Speaking of the Polish towns and villages occupied by Bolshevik forces in their recent drive, the dispatch says:

"The local Jewish parish populations already are said of course. Yet this is in strange contrast with what we are constantly told through the press of the sufferings of the Jews under the Soviet form and of their abhorrence of the Reds. However, most of what we read concerning this in the public press is Jewish propaganda, pure and simple, and the reports of men on the spot contradict it all. One relief worker testifies that relief work in Poland is frequently 'hung up because some Jew landlord asks an exorbitant rent for his premises,' while another testifies that though railroad fares in the supposedly famine-stricken districts have gone up 1,000 per cent, the best and highest-fare trains are 'exclusively occupied by Jews.' He adds, of his trip through Hungary, 'The Hungarians have no money any more, but the Jews have.'"

"But American Jews abhor Trotsky and Sovietism," is the plea sometimes made.

Do they?

On page 9 of the American JEWISH WORLD, of July 30, a letter signed "Mrs. Samuel Rush" appears. It is headed: "Are We Really Ashamed of Trotsky?" Read a few excerpts from it:

"I have read of late several laudations from editors of Jewish publications that the Jew is now labeled as a radical. 'It is true that many Jews are radicals. It is also true that some of the radical leaders are Jews.'

"But before weeping over the downfall of the race, let's think a bit.

"Trotsky himself has never been represented as anything but a cultured man, a student of world economics, a powerful and efficient leader and thinker who will surely go down in history as one of the great men our race has given to the world.

"* * * Very few of us doubt any longer that behind the absurdities written about Russia is the great truth that Russia is in that unsettled state which always attends reconstruction. There is a plan behind this seeming disorder, and out of the upheaval will come order. It will not be utopia, but as good a government as the undoubtedly high-minded practical idealists who are building for Russia can build with the necessarily imperfect materials -- human beings -- with which they must work.

"And one of the leaders is Leon Trotsky!

"Are we really ashamed of Trotsky?"

The lady is evidently not ashamed of Trotsky, or Mr. Braunsstein, as his real name is.

Or take Judge Harry Fisher, of Chicago. While drawing a salary for work in the court, Judge Fisher went abroad on Jewish relief work. His plans were changed somewhat after his departure and he landed in Russia. He asserts in several interviews that he was permitted to arrive in Russia on condition that he leave political matters alone. There has been no such restriction placed upon him since his return to the United States, for he appears as an open advocate of full trade relations with the Soviet Government of Russia.

The Chicago Tribune thus quotes him:

"We must leave Russia alone," he said in summarizing his views. "We should resume trade with the Soviet. The Bolshevik Government is permanent. * * * While there are only 700,000 members of the Communist party, the peasants, who represent almost 100,000,000 people, are solidly back of the Lenin regime."

Among the Soviet devices which the 100,000,000 peasants of Russia are said to be "solidly back of," is the following (it is particularly interesting in view of the fact that Judge Fisher is judge of the Morris Court of Chicago):

"Some time ago it was published that the women of Russia had become national property." * * * That is untrue, but the ease with which marriage and divorce may be effected makes for rapid changes. Everyone wanting to marry goes to what we would call the city hall and registers.

"Inducements to marry are great. When people are hard pressed for clothes and food they sometimes make a pact to wed for a day.

FORD- THE FOUNDER OF FORD MOTOR CO.

in the Protocols--
"We will break down the influence of family life among the Gentiles."

Whether the Soviet-Kahals of Russia will succeed in completely undermining Russian family life is extremely doubtful. The weakness of the Soviet rule is the same as that of the Protocols -- a moral weakness which must eat like a cancer until it destroys the institutions which it infects.

Russia today, viewed in the light of the Protocols, does not represent the Judaic state, but it represents the Gentile state seized by Jewish forces. There are three degrees of action set forth in the Protocols. There is first the secret process of breaking up the integrity of society by the admixture of alluring but disruptive ideas. This is a work in which Gentile agitators are used. When the ideas have worked sufficiently to break up society and explode in a crisis, then as in Germany, the forces that have worked in secret come swiftly to the front to take the reins and guide the riot. In Germany this immediately occurred upon the collapse which followed the armistice, but the Germans were wise enough to know the meaning of the influx of Jews into all the official positions of the former empire, and it was not long before they were politically ousted. In Russia, however, the Jews sprang immediately into official positions and have succeeded in remaining there. It began with Kerensky compelling the Czar to lay aside his crown; it continues with Trotsky and his armies at the throat of Europe.

But this seizure of a country, as was attempted in Germany, and as was not only attempted but succeeded in Russia, is not the end of the Program. It is only the beginning of its open or public phase. The Soviet-Kahal makes for the complete breaking up of society, the entire cutting off of co-operation and communication, the ruling of each little section in the way desired, until the whole country lies helpless in isolated bits. The process includes, of course, the disintegration of industry also, the massing of Gentiles "The next day they go down to the city hall and register again. This time their names are put side by side in the divorce book. That is all that is necessary to be divorced, and they have had a good feed in the bazaar."

Judge Harry Fisher, of Chicago, who has returned from Jewish relief work abroad, evidently is one with the others in not being ashamed of Trotsky.

Also Max Pine, for many years secretary of the United Hebrew Trades of New York, has been abroad in Soviet Russia as "a labor delegate." He too had many good things to say of the Soviets, among other things the strange contradiction that the Jews are doing very well in Russia but are not pro-Bolshevik!

Here are three persons from widely different spheres of life, yet each one of them indicates a natural liking for the Kahal or Soviet, an admiration of its methods, and a distinct good feeling toward its rulers. For Sovietism is the rakkest form of autocracy, and the marriage laws of Soviet Russia are in full harmony with the program stated

into an army, and a general destruction of morality and order." It is the Protocol program in its last stage before the reconstruction begins which shall make the conquered country a Jewish state.

The world has not seen that last stage yet. It has not come, even in Russia. If the Russian people waken from the daze into which they have been thrust, it will not come. Jewish voices loudly proclaim that Soviet Russia has come to stay. The only authoritative voice on that subject is the voice of Russia, and Russia has not yet spoken. Today the world is trembling on the very verge of Real Russia's awakening, and with it a retribution most terrible upon the Sovietists. (Editor's Note: Remember that these words above were penned by Mr. Ford long before World War II, and he could not, of course, have been expected to be able to surmise to what extent the terror of repression could not have hereofore made revolution against the Bolsheviks in Russia almost impossible...even as it is today)

The program of the Protocols once came near succeeding in the French Revolution, but its essential immorality overreached itself. It has come a step nearer success in Russia, but there too its defiance of the moral law will be its undoing. The Jewish Question of today is being fought out in Russia and Poland, and the strength of the Jewish forces is largely and mostly supplied from the United States of America. wonder those small East European States of America which are fighting for their lives refer to our country as "The Land of the Jews."

"We will show our power to one," say the Protocols. "In order to demonstrate our enslavement of the Gentile governments of Europe, we shall show our power to one of them by crimes of violence, that is, by a reign of terror." (Protocol Seven.)

One by one the Gentile nations of Europe have been compelled to withdraw their troops from Russia. One by one the premiers of Europe have submitted themselves to heavy shackling of their officials hands with regard to the Russian question. And today the world looks on while little Poland, apparently the second country on the list of Soviet victims, is made to feel heavy vengeance for her daring to be independent of Jewish power. Russia has been made to pay for her attempted independence of the Jew. Poland is now being made to pay. It is a flame, the Jews of Eastern Europe hope, and many Jews of America also, which will sweep round the world.

If the ruling Jews of the world wished the Russian people freed, if they wished the flames of Bolshevism to be quenched, if they wished Jewish participation in revolutionary movements to be withdrawn, they would accomplish it in a week. What is going on today is going on by permission of the Jewish world powers.

There is apparently no desire to curtail a movement which largely originated in American Jewry. This is the program of "showing our power to one," and the program will be followed out. The "showing" however, is twofold, it is a showing of POWER, but it is also a showing of the PEOPLE who wield the power, and in the end it might have

been just as well had the power never been covered, attained, or used.

Anyone who desires to test the exactitude of the Protocols' estimate of human nature may do so by observing his own reaction to the Russian Bolshevik situation. It is undeniable that there exists among all classes of Gentiles in America a kind of admiration for the coup which Lenin and Trotsky have managed on such a massive scale. The audacity of it, the ability to stay aloft thus long in defiance of so many laws, have conspired to draw our unwilling applause.

Consider then this passage from the Tenth Protocol: "The people feel an especial love and respect toward the genius who wields political power, and they say of all his high-handed actions: 'It is base, but clever! It is a trick, but how he played it! So majestic! So impudent!'"

"We count on attracting all nations to the constructive work of laying the foundations for the structure planned by us. It is necessary for us first of all to acquire the services of bold and fearless agents, who will overcome all obstacles to our pathway."

"When we accomplish our government COUP D'etat, we will say to the people: 'Everything has gone badly, all have suffered. We will eliminate the causes of your sufferings -- nationality, frontiers and diversity of language. Of course you are free to pronounce sentence upon us, but that can scarcely be just if you do so before giving a trial to that which we offer you.'"

This is very well conceived, and this is the way in which, up to this time, it has worked out. But there will be a strong reaction set in. False promises like chickens come home to roost. The real originators, the real purpose of the movement hidden behind Bolshevism will become evident. And then the world will crush out again the World Program which at times has seemed so near success.

There will probably be more light upon this World Program as a result of the Russian Kahal-Soviet system than from any other attempt to realize it. For five generations the world has lived in a false light supposed to be shed by the French Revolution. It is now known that that revolution was not the Revolution of the French People, but the disorders of a minority who sought to impose upon the French People the very Plan which is now being considered. It was the French People who ultimately put down the so-called French Revolution. And France, as a result of the upheaval of a well-organized minority, has been bound by Jewish control ever since.

The Russian Revolution will go down in history with no such false halo of romance around it. The world now knows it for what it is. The world will soon know whose was the money and whose were the brains that fostered it, and from what part of the world the principal impetus came. The Russian upheaval is racial, not political or economic. It conceals beneath all its false socialism, and its empty mouthings of "human brotherhood" a clear-cut plan of racial imperialism, which is not Russian, and which the common sense and interest of the world will speedily stamp out.

Jew Tops Russ Industry

DYNASHITS

MOSCOW, Nov. 24 (UP)—A rising economic brain, a Jew, was named to head the powerful economic council, designed to give a push to Russian industry and construction.

Deputy Premier Veniamin Dynashits, 52, who rocketed into prominence within the past year, takes over the council to become the effective czar of Soviet industry.

Dynashits replaced Russian eyebrows last July when he was named deputy premier and was appointed head of the state planning committee replacing Novikov.

He is the first Jew to reach such heights since Lazar M. Kaganovich held his post in the Kremlin leadership. Kaganovich was ousted for opposing Khrushchev's rise to power.

Jews Urged to Support JFK's Civil Rights Bill

NEW YORK (Special)—The largest Labor Zionist organization in America urged its members to give all-out support to President Kennedy's civil rights bill.

Farband-Labor Zionist Order

This Article
From Calif.
"Jewish
Heritage"

issued a call in an urgent message to its 320 branches from coast to coast.

Calling the present civil rights struggle a "climactic struggle," the Farband urged its members to support financially organizations that carry on the struggle for Negro equality.

The message was signed by Meyer I. Brown, president of the Jewish group, and Louis Segal, general secretary.

Dr. Martin Luther King, Jr., President of the Southern Christian Leadership Conference, expressed "deep appreciation" to the Farband.

In a letter dated June 19, Dr. King said that without "your moral support, we would be caught in a dungeon of despair."

High-Ranking Russian Jew Reiser Dies

MOSCOW, Dec. 26 (UP)—David Reiser, 58, former minister of heavy industry construction and one of the few Jews to hold the rank of minister in recent years, died Monday after a lengthy illness.

Reiser, who was named a candidate member of the party Central Committee in 1952 and 1954 was appointed to his ministerial post in 1950 and held it until 1957, the official Tass news agency announcement said.

Tass carried a death notice signed by Premier Khrushchev and the Central Committee of the Soviet Communist party. They notice referred to Reiser as "one of the most prominent builders of the nation."

Mother Is Raped

A YOUNG mother was beaten, bound and raped by a Negro intruder in the bedroom of her Philadelphia home while her 3-year-old daughter screamed for help in a crib nearby. The 21-year-old woman said the man wrapped one of her dresses around her head and gagged her. "You know they lynch colored men for doing this in the South," the intruder said. "If you tell the cops, I'm coming back and lynch you."

THE JEW PRESIDENT OF THE N.A.A.C.P. SAYS "THE FINAL SOLUTION TO THE RACE PROBLEM WILL BE FOUND IN THE BEDROOM."-MONGRELIZATION OF THE RACES IS THE REAL OBJECTION OF THE RACE MIXERS.

WHAT AMERICANS SHOULD KNOW ABOUT THE N.A.A.C.P.

The above picture of a Harlem Negro and his white wife is one which every self-respecting white American should ponder well, because it represents the ultimate goal toward which the National Association for the Advancement of Colored People (NAACP) and every other professional race-mixing organization is striving. Eventually, if they have their way, every Negro will as a matter of right and privilege enjoy the same "equality of opportunity" as the one above...

It is important that Americans should be thoroughly acquainted with the real objectives of the NAACP, and it is also important that they should realize that the president of this organization is not a Negro at all, but a little Jewish revolutionary by the name of Alvin Spingarn. And they should know that the NAACP was originally founded by a band of Jewish revolutionaries in 1909, and that no Negro has ever headed the organization...

It is likewise essential that Americans should know how the NAACP operates to achieve its objectives. They should know that this alien-controlled conspiracy has at its disposal one of the largest and most specialized legal staffs in the world -- and the only one in the world devoted exclusively to the breaking down of racial barriers.

Americans should be alerted to the fact that the NAACP has been carrying on what it boastfully calls a "silent revolution" for the past quarter century. They should know that with the aid and complicity of our left-wing Supreme Court, the NAACP's huge legal staff has already obtained court decisions outlawing segregated schools, segregated restaurants, hotels, swimming pools, parks and public housing. And that through a series of running court actions the NAACP plans to extend the blessings of racial "integration" to every American community, to every American classroom, church, playground and, ultimately, to every bedroom...

Americans should know that the NAACP's strategy is based upon the premise that the Negro problem will only be solved with total "integration". And that this can be achieved (according to the NAACP) only by forcing whites and Negroes into intimate and prolonged contact from infancy on: at school, at play, at church, in sports, in social affairs, and at work. That is the NAACP goal, and they will never be satisfied with less.

It is for Americans to decide now whether they want this kind of enforced "equality" or not. If they don't want it, they must strike back now -- before it's too late. Let's stop this assault upon American freedom! Let's put the NAACP and its alien promoters out of business! Let's fight back!

THE REAL CRIMINALS ARE THOSE...

The girl pictured here is a jazz musician. Both made the news recently when she revealed him to be the father of her mulatto child. Since then she has been galled and her child placed in an institution. She has been divorced by her parents and ostracized by her friends. But the real criminals remain unpunished... They are the northern propagandists, the alien sociologists, the fuzzy-minded school teachers and the brain-washed clergymen who exposed her to the degenerate philosophy of racial integration; who taught her from childhood on that all the races are equal and that it is morally wrong to "discriminate" because of race or color; who preached to her that racial pride is un-Christian but that racial "tolerance" is a high Christian virtue... They are the ones who should be punished; they are the REAL criminals.

Educate them together... let them play together... send them to church together... and the result is inevitable.

TOTAL INTEGRATION MEANS...

Obviously relishing integration, these northern Negroes have already taken white wives.

The pictures shown here should be of particular pride to the rabid advocates of racial integration and inter-racial "brotherhood," for they illustrate the ultimate of integration. This is what NAACP agitators have in mind when they boast that eventually the... "race problem will be solved in the bedroom." This, too, is what the Ford Foundation, the National Council of Churches, the National Conference of Christians and Jews and other professional race-mixing agencies are preparing YOUR children for. They may talk piously about the "brotherhood of man and the fatherhood of God" but these pictures show what they really want...

WHO PREACH RACIAL INTEGRATION

TOTAL MONGRELIZATION

Questions And Answers

TRUTH AND FALLACY ABOUT THE INTEGRATION PROBLEM

NOTE: The following "true and false" questions should provoke every thinking patriot to a better understanding of the integration question.

TRUE OR FALSE: IT IS "UN-CHRISTIAN" AND "UN-AMERICAN" TO PRACTICE RACIAL SEGREGATION.

False! If segregation is "un-American", our forefathers (including the Pilgrim Fathers) were un-Christian and un-American, because at no time did they practice or advocate integration or equality of the races.

TRUE OR FALSE: ALL THE RACES OF MANKIND ARE EQUAL AND SCIENTISTS HAVE NEVER FOUND ONE RACE TO BE SUPERIOR OR INFERIOR TO ANOTHER.

False! The various racial groups are amazingly diverse in size, structure, physical appearance and mental ability. They range all the way from the highly civilized northern European to the almost sub-human South African Bushman (see out). The African Bushman, in common with several other racial types, is incapable of abstract reasoning at all, its brain being only about half the size of the average European. The mental capacity of Negroes is conspicuously below that of whites, too.

TRUE OR FALSE: RACIAL DIFFERENCES ARE ONLY SKIN DEEP. PROOF OF THIS IS THE FACT THAT NEGRO AND WHITE BLOOD ARE IDENTICAL.

False! Negro and White blood are not identical. The United States Air Force will not permit Negro passengers to fly at high altitudes until blood tests are taken to determine if they have the "sickle cell trait" -- an inherited characteristic of Negro blood. About 1,500,000 U.S. Negroes have the "sickle cell" trait, and it is dangerous for them to fly at high altitudes. It is also dangerous for a white person to receive "sickle cell" blood in a transfusion, which is why some states require blood banks to label Negro and White blood according to race.

TRUE OR FALSE: WHEN THE FOUNDING FATHERS WROTE THE U.S. CONSTITUTION, THEY SPECIFIED THAT "ALL MEN ARE CREATED EQUAL", REGARDLESS OF RACE OR COLOR.

False! In the first place the statement that "all men are created equal" appears nowhere in the Constitution or the Bill of Rights. It is found in the Declaration of Independence and was penned by Thomas Jefferson, a slave owner. Neither he nor the authors of the Constitution believed in racial equality, much less integration. In fact most of them, including George Washington, were slave owners, too. Article I of the U.S. Constitution recognized (and legalized) the Negro's status as a chattel, not as a citizen or equal. It is not true that the founding fathers believed in Negro equality, or that the Constitution provided for it. The exact opposite is true.

TRUE OR FALSE: THE WHITE RACE OWES A SPECIAL OBLIGATION TO THE NEGRO RACE BECAUSE THEY WERE BROUGHT TO THIS COUNTRY AS SLAVES.

False! On the contrary the Negro owes the White man a special debt of gratitude for the opportunity he has found here. In America he was civilized, educated, converted to Christianity and ultimately given citizenship. Unquestionably the Negro of today is much better off than he would ever have been in Africa, where his blood cousins still live in squalor and superstition -- still only a step removed from cannibalism. It should be remembered that in Europe the White race was held in slavery under feudalism for centuries, and by an ironclad coincidence Russia freed millions of her slaves (serfs) in 1864 -- about the same time the Negro was emancipated in this country. Slavery is never good or desirable, but the Negro race is certainly not the only one ever to be held in bondage. The Negroes of today are fortunate to live in America and it is high time they stopped feeling sorry for themselves. It is also time they stopped hating their white benefactors, too.

TRUE OR FALSE: TO SEGREGATE NEGROES IS TO DENY THEM THEIR RIGHTS.

False! Whites have rights as well as Negroes. Compulsory integration is an infringement upon the White person's right to associate with people of his own kind and choosing.

TRUE OR FALSE: SENDING WHITE CHILDREN TO SCHOOL AND CHURCH WITH NEGROES WILL NOT NECESSARILY LEAD TO INTER-MARRIAGE IF "CHILDREN ARE BROUGHT UP RIGHT".

False! If you teach your children that segregation and racial pride are wrong, immoral and un-Christian, how can you expect them to believe that inter-marriage is wrong?

TRUE OR FALSE: YOUNG CHILDREN SHOW NO PREJUDICE OR AWARENESS OF SKIN COLOR UNTIL SO TAUGHT BY THEIR ELDERS.

True! Very young children are not prejudiced against anything. And because they cannot discriminate between what is good and what is harmful, they must be carefully trained for their own protection. The point is that racial self-respect, like table manners and hygiene must be instilled in the youngster by his elders.

Four of the interracial couples shown above are married. The pair on the extreme left is not -- yet. These photographs dispose for all time of the argument that integration in the schools, the churches, the playground and elsewhere does not lead to mixed marriages. History, both modern and ancient, has shown that wherever Negroes and Whites have been

thrown together intimately for any length of time, miscegenation has resulted on a mass scale. And wherever race-mixing has occurred, the White race has been pointed, swallowed up, destroyed... Some sociologists are already gleefully predicting that America will be entirely "coffee-colored" within a few generations.

Famed Scientist Persecuted For Saying Races Are Different

BRILLIANT PROFESSOR SAYS RACES ARE DIFFERENT FORCED TO RESIGN U. OF PENNA. POST.

Dr. Carlton S. Coon has been forced to leave his position as curator of ethnology and anthropology at the University of Pennsylvania. Dr. Coon is a nationally known anthropologist who has just published a new book, "The Origin of Races." The book has stirred NAACP leaders and other liberals to denounce Dr. Coon. For years Dr. Coon had his own TV program, "What In The World?" (on Museums) and is a noted author, lecturer and World Traveler.

Dr. Coon is also currently president of the American Association of Physical Anthropologists and received two Athenian gold medals for his new controversial book. In "The Origin of Races," Prof. Coon states his belief that mankind divided into five races or species half a million years ago. He then states the five races developed independently. At different periods of time these races passed through a critical intelligence threshold period. Dr. Coon believes that the Negro race started to develop intelligence some 200,000 years after the White race did. He cites many studies of skulls and other findings to back up his study. The oldest Negro skeleton to be found is 25,000 years old. It is called the Homo erectus and was discovered in Northern Rhodesia. It was a very animalistic form, showing the slow development of the Negro race.

Every time scientific evidence is discovered proving the Negro to be inferior and animalistic as a race, such information is suppressed and the scientist is persecuted for his truthful research work.

Rabbi Convicted In Slave Case

Rabbi David I. Shackney of New Haven, Conn., is the first person in many, many years to be convicted of slavery. He was given one year in prison and \$1,000 fine for keeping a Mexican family, Luis Oros, his wife and five children as slaves on his large chicken farm. Rabbi Shackney promised them work here in the USA when he met them on a vacation in Mexico City. Oros came to this country with his family illegally and the Rabbi threatened to turn them over to the police if they tried to run away from his chicken farm. Rabbi Shackney forced the Oros family to work 12 hours a day, eat only defective eggs and other inferior food. They also were forced to live with the chickens.

What makes this case stand out, is that Jewish religious leaders, more than any other so-called church group in America have stood in the forefront in demanding of "equal rights" for minority races. But when it comes down to making a "fast buck" from some pitiful and ignorant people, this Jewish Rabbi, was quick to enslave them.

ANNOUNCING THE PUBLICATION OF . . .

THE INTERNATIONAL JEW

The Book They Tried to Kill

Students of American history and current events will be interested to know that the famous book, *The International Jew*, originally published by the great American industrialist, Henry Ford, has been reissued by the Christian Nationalist Crusade.

The Crusade Director, Gerald L. K. Smith, who was intimately associated with Henry Ford

during the latter's lifetime, personally prepared the latest edition of *The International Jew*, and wrote the introduction to it. Excerpts from this introduction are as follows:

"At the apex of his business career Henry Ford, the industrial genius, sensed that a terrific effort was being made to take his business from him and manipulate it into the hands of the money-

changers. Mr. Ford had the impression that these manipulators were being engineered by powerful Jewish financiers.

"He called to his office the most intelligent research men within his acquaintance. He commissioned them to make a thorough study of the international Jew and publish their findings in 'The Dearborn Independent,' which at that time was the official organ of the Ford Motor Company. No expense was spared, and it is estimated that literally millions of dollars were spent by Mr. Ford on this project. The original articles were carried first in 'The Dearborn Independent,' and then published in book form.

"The moment the manuscripts dealing with the Jewish problem reached the public, a terrific howl went up from official Jewry. Every instrument of torture and abuse which could be imagined was carried on

against Mr. Ford—smear, character assassination, ridicule, physical threat, boycott. The pressure was constant, consistent and endless. The most powerful and enigmatic pressures imaginable were brought to bear on Mr. Ford to stop the publication of *The International Jew*.

Finally the order came through to cease publication and to destroy the copies which were available. Jews and others went into the bookstores and bought and destroyed all copies which could be found. Sneak thieves were commissioned to visit libraries and steal the report out of the libraries. This made the book so rare and unfindable that it became a collector's item."

Long absent from bookstores and libraries because of the "book-burning" activities of a host of Jewish organizations and individuals, *The International Jew* is a must for all mature students of Americana.

What Henry Ford Said About THE INTERNATIONAL JEW

In his book entitled "My Life and Work," which was published in 1922, Mr. Ford comments on his "international Jew" series with the following words:

"Readers of our articles will see at once that we are not actuated by any kind of prejudice, except it may be a prejudice in favor of the principles which have made our civilization.

"There had been observed in this country certain streams of influence which were causing a marked deterioration in our literature, amusements, and social conduct; business was departing from its old-time substantial soundness; a general letting-down of standards were felt everywhere. It was not the robust coarseness of the white man, the rude indelicacy, say, of Shakespeare's characters, but a nasty Orientalism which has insidiously affected every channel of expression—and to such an extent that it was time to challenge it. The fact that these influences are all traceable to one racial source is a fact to be reckoned with . . . Our work does not

pretend to say the last word on the Jew in America. It says only the word which describes his present impression on this country. When that impression is changed, the report can be changed . . . Our opposition is only to ideas, false ideas, which are sap- ping the moral stamina of the people. These ideas proceed from easily identified sources, they are promulgated by easily discoverable methods and they are controlled by mere exposure.

"When people learn to identify the source and nature of the influence swirling around them, it is sufficient. Let the American people once understand that it is not natural degeneracy but calculated subversion that afflicts us, and they are safe. "The explanation is the cure. This work was taken up without personal motives. When it reached a stage where we believed the American people could grasp the key, we let it rest for the time. Our enemies say that we began it for revenge and that we laid it down in fear. Time will show that our critics (the Jews) are merely dealing in evasion because they dare not tackle the main question."
